More Than Ghosts: A Guide to Working Residential Cases in the Paranormal Field (Paperback)

By Alex Matsuo

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With the rise of paranormal reality television, there are more ghost hunting and paranormal investigation teams than ever before. Many of these teams offer investigation services for a haunting and other paranormal phenomenon that occur in the privacy of your home. While assisting people with their haunted houses may seem honorable and glamorous, if these cases are not done right, there can be dire consequences that can shut down teams and ruin personal lives. So how does an investigator approach a client case? What is the difference between investigating a public location and someone's home? The answer lies in much more than ghosts. After researching the paranormal for over a decade, Alex Matsuo started investigating and assisting with client cases in 2009, and started her own team known as the Association of Paranormal Study in 2011. In this book, she will share her personal experiences on the field, as well as advice and tidbits she has learned while assisting in the investigations of other teams, as well as leading investigations for her own team, APS.
