Biographiq, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Joseph Stalin - Communist Soviet Leader is the biography of Joseph Stalin, the General Secretary of the Communist Party of the Soviet Union s Central Committee from 1922 until his death in 1953. During that period, Stalin established the regime now known as Stalinism. As one of several Central Committee Secretariats, Stalin s formal position was originally limited in scope, but he gradually consolidated power and became the de facto party leader and ruler of the Soviet Union. Stalin launched a command economy in the Soviet Union, forced rapid industrialization of the largely rural country and collectivization of its agriculture. While the Soviet Union transformed from an agrarian economy to a major industrial powerhouse in a short span of time, it is often estimated that millions of people died from hardships and famine that occurred as a result of the severe economic upheaval and party policies. At the end of 1930s, Stalin launched the Great Purges, a major campaign of repression against millions of people who were suspected of being a threat to the party, and were executed or exiled to Gulag labor camps in remote areas of Siberia or Central Asia. A number of ethnic groups in Russia were also forcibly resettled. During Stalin s reign, the Soviet Union played a major role in the defeat of Nazi Germany in the Second World War (1939-1945) (more commonly known in Russia and post-Soviet republics as the Great Patriotic War). Under Stalin s leadership, the Soviet Union went on to achieve recognition as one of only two superpowers in the post-war era, a status that lasted for nearly four decades after his death until the dissolution of the Soviet Union. Joseph Stalin - Communist...
