Brand New Book ***** Print on Demand *****.My son Alexander was born in New York City, a town millions of children call home. These kids love to share their backyard (Central Park), their playgrounds, their restaurants, their favorite museums and their passion for New York. They make sure the Big Apple doesn't lose its youthful charm, despite being the most sophisticated and cosmopolitan of cities. Even the brattiest of New Yorkers stroll wide-and-starry-eyed at the city's wonders. And every morning brings the promise of a new discovery, a new treat for the senses, a gift. The City's spirit is as contagious as a deep belly laugh-you'll catch it and pass it along. Promise. Yes, you'll find some crab apples and worms in the Big Apple. But, when you pack up to return home, you'll agree that New York is one amazing town. This snappy 2012 travel guide will show you where to eat, play and stay, as well as give you budget tips and places outside of the City worth your while.
