REALIZING THE IMPOSSIBLE: ART AGAINST AUTHORITY (PAPERBACK)

AK Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Protestors, rows of riot cops, tear gas lobbed into crowds--these are the images that easily flood into the mind when one thinks about a gathering to protest the IMF, the WTO, a meeting of the G8, or the war on Iraq. The movement against corporate globalization has brought anti-authoritarian politics into the forefront of world consciousness, but what do we know--and what have we seen, really--of the cultural and aesthetic sides of these and other rebellions against the status quo? To date, precious little has been written by anarchists and anti-authoritarians about the role of art and culture in society, and in revolutionary movements like these. *Realizing the Impossible* is an inclusive and sprawling collection of art and writings that addresses this gap in our understanding of revolutionary movements. Do-it-yourself printmaking, Zapatista video, street art in Argentina's popular uprisings, radical puppetry, the monuments to Haymarket martyrs, turn-of-the-century Australian Industrial Workers of the World printmakers, illustrator Clifford Harper, and wobbly poet Carlos Cortez are just a few themes in this collection that bridges time and geographical and cultural boundaries.
