Headline Publishing Group, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Sometimes marriage can be a killer. Usually hot on the heels of various miscreants, bounty hunter Stephanie Plum finds herself with a suspicious stalker in *Twelve Sharp*, the wildest novel yet in Janet Evanovich's Stephanie Plum series. Not to be missed by fans of Lee Child and JD Robb. Praise for Evanovich: Evanovich is a clever writer with a strong streak of laugh out loud sardonic humour (Melbourne Weekly); Non-stop laughs with plenty of high jinks (USA Today); As smart and sassy as high gloss wet paint (Time Out). Just when it seems Stephanie Plum's life may be calming down, a new threat turns up: the wife of her mentor Ranger. Only it seems this wife isn't everything she says, and with Plum's usual protector in danger, Stephanie might actually have to look after Ranger for once. Problem is Stephanie's on-again-off-again boyfriend, and Trenton cop, Joe Morelli already isn't too pleased with how close Stephanie is becoming to Ranger. Not only is Ranger temptation walking, he also has a long list of psychopaths and trained killers after him that make Stephanie's list of nut jobs seem normal. What readers are saying about *Twelve Sharp*: Immensely good fun - Evanovich knows how to write them light and frivolous. The suspense and action will have you panting until the very end. The storyline is one of the best, filled with the action and suspense yet perfectly paired with comic relief. There is something for everyone - adventure, action, romance, comedy and sex.
