Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

Brand New Book ***** Print on Demand *****.Excerpt from The Federal Government and Education an Examination of the Federalization Movement, in the Light of the Educational Demands, of a Democracy The era in which society now finds itself is conspicuously one of stress. Out of the vortex of a world-wide war which threatened to undermine the very structure of society and to render desolate and void the accumulated treasures of the race, there has developed in the minds of men a critical attitude, a spirit of challenge, and of keen penetrating inquiry into the foundations of the existing social economy. No institution has escaped the test; the school, the church, the state, the home, - all have been placed on trial, and all are being weighed in the balance of public opinion. Out of the babel of confusion that exists on all sides, discrepant voices are heard. On one side it is the voice of the conservative, firm in the conviction that the present order is inherently sound, and that its ills can be assuaged by the wise and benevolent administration of constructive reform. On the other side lifts the voice of the extreme reformer feverishly proclaiming the doctrine of radical change and insistently defending the thesis that revolution, not evolution, is the sesame to a more benign and equitable order. Society, then, is in flux. It is becoming extremely self-conscious and critical. Novel interpretations of life and its meaning, new evaluations of society and its institutions are being offered in abundance. That modern society has accomplished marvels in the harnessing of the forces of nature and the building of an imposing material civilization, there is none to gainsay. That it has secured like...
