Hudson Street Press, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. One day Donna Jackson Nakazawa found herself lying on the floor to recover from climbing the stairs. That s when it hit her. She was managing the symptoms of the autoimmune disorders that had plagued her for a decade, but she had lost her joy. As a science journalist, she was curious to know what mind-body strategies might help her. As a wife and mother she was determined to get her life back. Over the course of one year, Nakazawa researches and tests a variety of therapies including meditation, yoga, and acupuncture to find out what works. But the discovery of a little-known branch of research into Adverse Childhood Experiences causes her to have an epiphany about her illness that not only stuns her--it turns her life around. Perfect for readers of Gretchen Rubin s The Happiness Project, Nakazawa shares her unexpected discoveries, amazing improvements, and shows readers how they too can find their own last best cure.
