

## Democracy at the Crossroads: International Perspectives on Critical Global Citizenship Education

By -

Lexington Books. Paperback. Condition: New. 378 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. In Democracy at the Crossroads, the editors argue that there have been too few scholarly attempts to provide a comprehensive critique of the assumptions behind citizenship education. In particular, they ask the distinguished contributors to this volume to address difficult but essential questions that are often avoided or intentionally overlooked: What do all-embracing terms like global citizenship really mean? What does democracy mean internationally? A timely work, Democracy at the Crossroads provides a necessary examination and re-interpretation of international perspectives on democracy and global citizenship as they apply to social education. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
