Penguin Books Ltd, United Kingdom, 2011. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. People should not leave looking-glasses hanging in their rooms any more than they should leave open cheque books or letters confessing some hideous crime. If she concealed so much and knew so much one must prize her open with the first tool that came to hand - the imagination. Virginia Woolf's writing tested the boundaries of modern fiction, exploring the depths of human consciousness and creating a new language of sensation and thought. Sometimes impressionistic, sometimes experimental, sometimes brutally cruel, sometimes surprisingly warm and funny, these five stories describe love lost, friendships formed and lives questioned. This book includes The Lady in the Looking Glass, A Society, The Mark on the Wall, Solid Objects and Lappin and Lapinova.
