Brand New Book ***** Print on Demand *****.The father-son relationship is a well documented bond entrenched in the scriptures. We are made to know that God is our Father. He daily demonstrates his great love to us in diverse ways. He also gives us earthly fathers to care for us. Parents have great roles to play in the lives of their children and children, likewise, have their part to play in reciprocating their parent s love. Fathers are very important in the lives of children. This book is based on the lessons i learnt from my father. He was in no way perfect man but he lived a life of great example to us as children. This book is written to encourage children who have parents (both biological and spiritual) to rise up to their responsibilities and do their duties to their parents. I pray you will rise up to this challenge and be the best you can be for your parents. I wish you an enjoyable reading.
