Ten years and twelve million copies after the first printing of *The Bridges of Madison County*, Robert James Waller brings to a poignant conclusion his story of the love affair between a wandering photographer and the conventional wife of an Iowa farmer. In *A Thousand Country Roads*, Robert Kincaid initially finds himself with little but memories—memories of a lonely existence lived mostly on the road and memories of Francesca Johnson, the woman whose passion he stirred so briefly and with such power. Kincaid takes to the road again in what becomes a journey of discovery and surprise. With his dog Highway beside him, Kincaid begins a long winding run back to Roseman Bridge in Madison County, Iowa, returning to the place of his great love affair. Living her own solitary life, Francesca still visits Roseman Bridge and reflects on her days and nights with Robert Kincaid. Cherishing the memory of the strange wandering man who changed her world, she vows to search for him. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. MP3 CD.
