Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This manual provides a guide for Army commanders and staffs operating in a multinational environment. It applies across the full spectrum of military operations. It provides general information on important topics necessary for conducting multinational operations. However, it also lists questions that multinational partners need to address to improve their mission effectiveness and efficiency. Every multinational operation differs. The purpose, character, capabilities, composition, and scope of a multinational operation are functions of changing missions. These missions are magnified by the complexities of two or more armies operating together. Each member nation brings its own view and methods of operations. This manual blends key points of Joint Publication (JP) 3-16 into its approach to ensure consideration by Army elements of a joint force. It addresses the Army's roles and functions within a multinational operation. The focus is on responsibilities for conducting operations as part of a multinational force. It also addresses multinational leadership and provides examples of possible command relationships. Finally, it addresses planning considerations of the multinational commanders and their staffs. Information contained herein will help other national forces and other services plan and conduct multinational operations with U.S. Army forces. Commanders must recognize those areas within multinational control and those areas under national control. This is a key issue that crosses all functions. Recognizing this issue will enable commanders and their staffs to focus on important issues. It will enable them to function more effectively and efficiently. Multinational partners conduct multinational operations to prevent, contain, or resolve conflicts that may pose threats to common national interests. This manual provides a handy reference of fundamental issues and interfaces that must be addressed to promote a successful multinational operation. While North Atlantic...
