Audible Studios on Brilliance, 2018. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. There were many things that Hollie McNish didn't know before she was pregnant. How her family and friends would react; that Mr Whippy would be off the menu; how quickly ice can melt on a stomach. These were on top of the many other things she didn't know about babies: how to stand while holding one; how to do a poetry gig with your baby as a member of the audience; how drum n bass can make a great lullaby. And that's before you even start on toddlers: how to answer a question like is the world a jigsaw? ; dealing with a 10-hour train ride together; and how children can be caregivers, too. But Hollie learned. And she's still learning, slowly. Nobody Told Me is a collection of poems and stories taken from Hollie's diaries - one person's thoughts on raising a child in modern Britain, on trying to become a parent in modern Britain, on sex, commercialism, feeding, gender and finding secret places to scream once in a while.
