Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Priscilla Knitting Book For many practical purposes sweaters seem to have an increased rather than a diminished hold. The one given below is for a 34 or 36 inch bust. Golf yarn with No.9 needles seems to give about four stitches to the inch; No. 14 needles are needed for the neck. Whatever the number of needles, you need to get about four stitches to the inch, or perhaps nine stitches to the two inches in width, and six stitches to one inch of the finer needles. For the 36-inch bust you must get four stitches to the inch; for 34-inch, you may get nine stitches to two inches. Cast on 70 stitches. Note. - In writing up this sweater there is nothing said as to the ribbing, etc., as that may be done in any way desired. The manner of working is given. An odd stitch or two can be added, if needed, for ribbing, etc. The line of fine knitting at waist may be omitted if preferred, and the two inches worked with the ordinary needles. Having the 70 stitches (or stitches needed for pattern), work back and forth for 4 inches, then, with the finer needles, work for 2 inches, then again take the large needles and work till you have 15 inches in length, measuring from the middle of the fine part. For shoulder, begin on the right side of the work; do 25, putting them when done on to a safety-pin, or keeping them in any convenient manner. Cast off 20 easily, neither loosely nor tightly, for the back of the neck work on the remaining 25 for 1...
