Unexpected changes throw her life into a tail spin that she has no control over, and that her worst nightmares couldn t have prepared her for. Before long she is breaking into Chris s home, destroying Chris s credibility at work and with her friends, and even begins dressing like her. When Chris learns of Shannon s true intentions, she realizes the only way to stop the madness and reclaim her life is to leave town. She moves to a small remote area in Southern Oregon, several hours away from her home town where she believes she can start over, but that s when the danger really begins.
