By Desmond George

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Saint Vincent and the Grenadines. Travel and Tourism. Just the name St Vincent and the Grenadines (SVG) evokes visions of exotic, idyllic island life. Imagine an island chain in the heart of the Caribbean Sea, uncluttered by tourist exploitation, with white-sand beaches on deserted islands, sky-blue water gently lapping the shores and barely a soul around. While it may sound like a playground for the rich and famous, you don't need your own yacht to enjoy SVG. In fact cheap ferries make exploring this archipelago nation independently a breeze and with so many islands to choose from, there's sure to be one that perfectly meets your needs. And while it's famed for its islands and beaches, the country offers more than just a relax in a hammock. There are volcanoes to climb, refreshing waterfalls to explore and great hiking throughout.
