Lunamopolis, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lisette Alonso s The Album of Untaken Photos, is a series of lyrical daguerrotypes that expose the passing moment s power and, subsequently, how this power affects every (human) gesture in time and space (life). With alarming grace, Alonso renders the emotional and psychic constitution of almost-memories, instances half-noticed, socially unpreserved yet personally irrefutable. We see the human beings in Alonso s poetry from without while they, as family members, shape each other mysteriously from within. There is a soundlessness to this language that trembles with what s real and readies us for revelation. The Album of Untaken Photos remembers what s been forgotten.
