

Bread

By Scott Cutler Shershow

Bloomsbury Publishing PLC, United States, 2016. Paperback. Book Condition: New. 165 x 120 mm. Language: English . Brand New Book. Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. Bread is an object that is always in process of becoming something else: flower to grain, grain to dough, dough to loaf, loaf to crumb. Bread is also often a figure or vehicle of social cohesion: from the homely image of breaking bread together to the mysteries of the Eucharist. But bread also commonly figures in social conflict - sometimes literally, in the bread riots that punctuate European history, and sometimes figuratively, in the ways bread operates as ethnic, religious or class signifier. Drawing on a wide range of sources, from the scriptures to modern pop culture, Bread tells the story of how this ancient and everyday object serves as a symbol for both social communion and social exclusion. Object Lessons is published in partnership with an essay series in The Atlantic.
