

Overtime: A Basketball Parable (Paperback)

By Larry Ellis

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s unlike anything you ve read before.Carl Campbell lived for one thing: basketball.Regrets? Plenty.But only after he is dead.In the latest novel by Larry Ellis, Overtime: A Basketball Parable, Coach Carl Campbell - post mortem - sits on a bench behind the goal of a run-down, outdoor basketball court and reflects on his life as he watches young versions of his former players shoot hoops. It is a kind of purgatory that forces Campbell to reevaluate the decisions he made and the opportunities he missed, hoping to find a sliver of redemption.In Overtime, there are basketball scenes, but it s not a sports book. There is unrequited love, but it s not a romance. And of course there is the spirit? ghost? of Carl Campbell, but it s not a paranormal mystery.It s just a good story with unusual characters that will stay with you long after you ve finished the book.
