Reviews

*Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
(Mr. Johnathon Dach)*

THE RIGHT WAY TO DO WRONG

DOWNLOAD

Melville House Publishing, United States, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book. One of the most intriguing and recognized figures of the twentieth century conducts a masterclass in subversion Originally published in 1906, The Right Way to Do Wrong was a masterclass in subversion conducted by the world s greatest illusionist. It collected Houdini s findings, from interviews with criminals and police officers, on the most surefire ways to commit crime and get away with it. This volume presents the best of those writings alongside little-known articles by Houdini on his own brand of deception: magic. Revealing the secrets of his signature tricks, including handcuff and rope escapes, and debunking the methods of his rivals, he proves himself to be just as clever and nimble a writer as he was a magician--and surprisingly free with trade secrets! All of which makes this unique selection of works both the ultimate anti-etiquette guide and proof that things are not always as they seem. In an exclusive introduction to this volume, Teller--magician, comedian, and silent sidekick of Penn Jillette--speaks up about the greatest magician of modern times.
