Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Knowledge Resources Publishing Pty Ltd, South Africa, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Creating Effective Boards and Committees provides a valuable resource for new and seasoned directors of companies. The book offers practical guidance to optimise preparation time and meeting participation. The author share tools and knowledge in the book and makes it a must-read for all seeking empowerment to become active influencers of company strategy and success. Sindi s Board and Committee Effectiveness Model (BCem) will guide Directors in analysing and decision making within their fiduciary roles. In applying the model directors will understand the business and industry better, be able to interrogate and listen better; follow through and identify and raise red flags. In her model Sindi has set out how a lack of understanding of critical issues such as one s fiduciary duties can result in one becoming an ineffective director. At the same time she points to inappropriate participation in meetings which includes an inability to listen, understand and interrogate the information before one. The models developed by Sindi actually help a new director in using appropriate knowledge and participating on an appropriate basis at meetings. A new director reading this book will be assisted in making a positive contribution at board and committee meetings. Mervyn E King SC The position of a director is indeed very onerous. It requires many attributes and a multiplicity of talents and skills. It is insufficient simply to possess the required attributes, talents and skills; It is equally important for the director to have the ability to apply these attributes in practise. The combination of all this is very daunting even for experienced directors; how more so for those whose entry into the corporate world as directors has only just begun. A...
