

The Mis-Education of the Negro African American

Filesize: 3.91 MB

Reviews

I just started out looking at this ebook. This can be for those who statte there had not been a worthy of reading through. You can expect to like the way the blogger publish this ebook.
(Dr. Freddie Greenholt Jr.)

THE MIS-EDUCATION OF THE NEGRO AFRICAN AMERICAN

Dover Publications. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. In 1933, American historian and educator Carter Woodson (1875-1950) delivered a powerful and prophetic denunciation of Euro-centric school curricula that still rings true. Woodson inspired black Americans to demand relevant learning opportunities that were inclusive of their own culture and heritage. In issuing this challenge, Woodson laid the foundation for more progressive and egalitarian educational institutions. The thoughts Woodson expressed in addresses and articles formed the basis for this work, described by The New York Times as a challenging book that throws down the gauntlet to those who have had anything to do with Negro education, whether of white or black race. The founder of the Association for the Study of Negro Life and History, Woodson was also the author of more than sixteen books and the founder and editor of the Journal of Negro History and the Negro History Bulletin. This landmark work remains essential reading for educators and everyone who seeks to understand the African-American experience. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
