This the door that opens and all pass through, out of the unreal into the Real, out of darkness into Light, out of time into Eternity, out of death into Immortality. The sun rises out of life and sets into life; this is the sacred law. It sways to-day and it will sway to-morrow. For all men have one entrance into life and the like going out. If a man die, shall he live again? Behold I show you a mystery. We shall not all sleep, but we shall all be changed. As we have borne the image of the earthy, so also shall we bear the image of the heavenly. Whither shall I go from thy spirit? Or whither shall I flee from thy presence? If I ascend up into Heaven, thou art there. If I make my bed in the under-world, behold thou art there. If I take the wings of the morning and dwell in the uttermost parts of the sea, even there shall thy hand lead me, and thy right hand shall hold me. When I awake I am still with thee. Yea, though I walk through the valley of the shadow of death I will fear no evil. For thou art with me; thy rod and thy staff they comfort me.
