Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Spot the difference puzzle books are some of the most popular search and find books for kids and, like many childrens games and puzzles books, are excellent for child development.With no fewer than 40 sets of almost identical pictures, this find the difference book provides hours of fun for kids of all ages. It is however best suited to kids over the age of 6.Each set of pictures contains at least 10 differences, and finding them helps your child to develop a range of skills including observation, attention and concentration, as well as providing an excellent way to improve the memory. Like many kids activity books, these brain or mind puzzles make very popular childrens books, aiding both child development and education.Please note that the pictures in this book are in black and white, and that the differences between the pictures in each set are not dependent on color. However, if you would like to try these puzzles in full color, then why not pick up the Kindle edition of the book. As long as you have purchased this print version of the book through Amazon, you can buy the Kindle version free of charge.
