By Unknown Author

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Japan and China A. Japanese Influence In China Concerns The World. Since the beginning of the world war, the Japanese influence in China has spread to such an extent, that to watch its movement and progress requires practically every minute of a student of the problems in the Far East. China, so large a nation and so rich in natural resources, yet so weak, is situated right next to Japan, an aggressive country, a land of hunger. While the European nations are so busy with themselves at home, Japan, with this unequalled opportunity, can do anything toward China that she pleases, but the problems concerning Japan and China concern the world. Both officially and unofficially, secretly and publicly, her influence in China is pushing on its way. After this war the European powers will once more turn attention to their interests in China. They will either follow the aggressive steps of Japan or see to it that the movements of Japan in China shall be right and just. The situation in the Far East will be as important as that elsewhere....
