DECISION-MAKING AT THE CHESSBOARD (PAPERBACK)

Gambit Publications Ltd, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. Chess is a game of decisions. As well as deciding about which move to play and which plan to adopt, players must also make practical decisions about how to use their clock time and whether to use intuition rather than trying to calculate every line to a finish. Viacheslav Eingorn draws upon his vast experience to provide guidance on how to weigh the various factors...
