Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Institute of Hygiene of the University of Pennsylvania was formally opened April 22A, 1892. This magnificent gift of Henry Charles Lea was accompanied by the following message, which was read by Dr. S. Weir Mitchell at the presentation of the Institute to the Trustees: my Dear Dr. Mitchell: It gives me pleasure to respond to your request for a few words on the objects and motives which led to the founding of the new Laboratory of Hygiene. Of all the claims of your noble profession on the gratitude of mankind, perhaps the chiefest is due to the zeal of its members in laboring as earnestly for the prevention as for the cure of disease. Scientific hygiene is essentially the creation of physicians who have ever been foremost in discovering and promulgating the facts and principles on which improvement of public health must be based. Great as have been the strides of this science during the past generation, even more is reasonably to be expected of it in the future. It is not visionary to say that we are on the threshold of discoveries which promise, if rightfully used, to relieve humanity from some of the distressing evils which have weighed it down in the past. To this most desirable consummation the University of Pennsylvania makes a notable contribution in rendering the study of hygiene compulsory on all who seek its degrees in Medicine, Architecture, and Civil Engineering, and in orgauizing a Department of Hygiene where...
