PROFESSIONAL C++ (THIRD EDITION)

Wiley India Pvt. Ltd, 2014. Softcover. Book Condition: New. 3rd edition. Professional C++, Third Edition, provides a code-intensive, practical guide to best practices for designing and building C++ applications. Geared to experienced C++ developers, the book teaches programmers how to think in C++ -- that is, how to design effective solutions that maximize the capabilities of the language. The authors then drill down into the language itself, explaining poorly understood elements of the C++ feature set, as well as pitfalls...

Reviews

It is one of the most popular ebooks. I have got to study and I am certain that I am going to likely read again yet again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied in my very own life and might be the best ebook for possibly.

It is an amazing publication which I actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. It has been developed in an extremely easy way which is merely following I finished reading through this PDF in which actually changed me, affect the way I think.
