Dover Publications Inc., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. The timeless beauty of elegant floral designs has made them prime favorites among artists and craftspeople. This rich harvest of blossoms, vines, and other floral decorations has an unlimited variety of applications, allowing them to serve equally well as individual motifs or as running borders. More than 300 delicately rendered motifs, all reproduced from a rare nineteenth-century catalog, feature a profusion of sprays, branches, and clusters. Commercial artists and designers will want them for projects calling for floral centerpieces, stripes, and all-over patterns. Craftworkers will find the designs suitable for embroidery, textile patterns, woodworking, and other crafts.
