Reviews

It is one of the best pdfs. Better than ever, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

GRIFFIN, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. WARNING: The satire you are about to read will change the way you look at our nation s leaders. FOREVER. In November 2012, General David Petraeus stepped down from his post as director of the CIA when it was exposed that he d had an affair with his biographer, Paula Broadwell. The political scandal that unfolded would eventually include four-star generals, socialites, FBI agents, the Army, a stuffed Sasquatch, and the entire cast of TLC s Sister Wives. Hundreds, thousands--maybe millions--of e-mails were exchanged between these parties. Their computers have been seized by the government, and those e-mails would likely never see the light of day. . . . However, access to these confidential documents has been obtained by a most unlikely source: comedian Ted Travelstead. Through a perfect storm of dumb luck, desperation, and a favor from a friend with a working computer, Travelstead managed to secure these e-mails. He has pored over reams of pages to give you an inside look at The Petraeus Files. Prepare to be amazed by: *The coded phrases Gen. Petraeus and his mistress Paula Broadwell used to keep their rendezvous private, and the numerous nicknames they had for each other (Peaches: I want your plums in my juicer.) *Florida socialite Jill Kelley s official titles: Vice Consul of Sweet Times, Ambassador of Lady Town, Lil Mayor Push-N-Pull, and Undersecretary of All Things Considered, to name a few. *Gen. John Allen s previously unknown penchant for Nip/Tuck fan fiction With exclusive e-mails, chats, photographs, and illustrations, this is a book that will change the way you look at the military, our nation s leaders, and the phrase rear admiral.
