Perfect Health: Or, the Highest Curative Power in Man (Paperback)

By Christian D Larson

Martino Fine Books, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2012 Reprint of 1910 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Christian D. Larson was a New Thought leader and teacher, as well as a prolific author of metaphysical and New Thought books. He is credited by Horatio Dresser as being a founder in the New Thought movement. Many of Larson s books remain in print today, nearly 100 years after they were first published, and his writings influenced notable New Thought authors and leaders, including Religious Science founder, Ernest Holmes. In this title Larson attempts to apply the principle of faith in the realization of perfect health. He believed that When the mind is in the truth it reflects only what is in the truth; the body will thus be filled, through and through, with perfect health; the personal man will express the strength, the life and the purity of the real man, and all that is beautiful and ideal in the within will manifest itself more and more in the without.
