Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are jobs requiring skilled workers in the UK, but not all unemployed UK youth are able to make use of these opportunities. Are you a skilled or a professionally qualified person or a UK university graduate of foreign origin wanting to get ahead? Britain has an ageing society. About 20 of the population are pensioners. An ageing society has problems paying its pensions because there are less people of working age in the UK. To compound matters, there are not enough skilled and hard-working people of working age in the UK than needed. What can the government do? One solution is to raise the retirement age for pension, making people work longer. The government has done that. Immigration of young, skilled and ambitious people is the other solution. Britain's Office of Budget Responsibility has found that allowing more than 140,000 immigrants into Britain a year, equivalent to about 7 million people in 50 years, would help increase the overall number of people who are in work and improve public finances. There are great career opportunities waiting to be taken in Britain. What are the areas in which skills shortages exist in the UK? Which skilled jobs are desperately in need of foreigners because of the local unavailability of talent? In which skilled profession is talent in such short supply that temporary staff can earn as much as 15,000 per week? How do some accountants earn 500 per day? Do UK employers like the work ethic of foreigners? Are those with foreign language skills in demand? What is the government's official view on the UK's skills shortages? Which is the best employer for foreigners...
