Infinity Publishing (PA), 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Poetry is one of the oldest art forms. The heart and mind unite as two equal forces that drive the pen. Words are chosen as carefully as a jeweler selects precious gems. Within a few lines the poet captures an infinite range of emotions; the impact is profound. Some poems transport the reader to a delightful place; other poems inspire. Blue Skies Above Life s Storms accomplishes both in four series. The Life Experiences Series enlightens one with wisdom and insight to triumphantly overcome life s challenges. To accept responsibility for our thoughts, feelings, words, and actions. Our internal dialogue can hold us captive or elevate. The Imaginary Journey Series will inspire you to view the universe as a fascinating playground that stirs imagination. The Light Series offers a glimpse of what others may have experienced before modern technology. You become the campfire in Campfire Magic, the lamp in Lamplight, the lantern in Lantern Light to Winner s Circle. The Prairie Series takes one across a landscape of natural beauty through the history of Native American life on the Great Plains. Envision great herds of buffalo, the wind rippling over grasslands, the epic grandeur of the Prairie s immensity, infinity of sky, and freedom. Poetical expressions celebrate the imagination s versatility by taking the reader on a journey to fascinating places and eras, into a world of beauty and wonder. Enjoy the journey!.
