

Here Are the Customers Yachts: How to Systematically Buy Low, Sell High, and Earn Lifetime Profits (Paperback)

By Jeffrey Weber

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if you had a simple and fast method you could use for the rest of your life to invest in the stock market? What if this system told you how to SCIENTIFICALLY and AUTOMATICALLY BUY LOW, SELL HIGH, or HOLD a position? To let the data and simple calculations make rational decisions for you - not emotions or other peoples opinions? This is what author Jeffrey Weber wanted when he was an Auditor for the US Army stationed in South Korea. That was over 30 years ago. He discovered the book How to Make \$1,000,000 in the Stock Market Automatically by Robert Lichello. The system in that book was called AIM: the Automated Investment Management method. Since then, Jeff has applied, refined, and improved on this method with dramatic results. In the last 30+ years Jeff has helped many other investors use AIM through workshops, books, and a monthly newsletter. Now that Jeff has retired in 2016, he wants to help you! In this book you will discover other benefits and features of the AIM method: * It...

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
