After all, if he's not good enough to find this family, how can he ever expect to be good enough to someday find his own? Set in Cornwall, England, past and present, Tayte's research centres around the tragic life of a young Cornish girl, a writing box, and the discovery of a dark family secret that he believes will lead him to the family he is looking for. Trouble is, someone else is looking for the same answers and they will stop at nothing to find them. The Jefferson Tayte Genealogical Crime Mysteries. What secrets are in your family history?
