iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Characterized by reddish, bursting blisters and blood oozing from the nose, ears, and mouth, a deadly plague strikes the Borders, two remote northern Bahamian islands. Dubbed the Red Death, this plague kills everything; it does not discriminate. The Borders face economic paralysis as the population-whole families, relatives, and friends- succumbs to this spreading epidemic. Jack Shelby Sloane, an alcoholic ship captain, leaves Florida after a manslaughter conviction. Divorced by his wife and losing custody of his children, he stops drinking and travels to the Borders islands to run a boat yard. Jack marries Ginny and begins a new family and a new life. But his dreams are shattered when the Red Death attacks the Bahamas. Disease and anarchy converge to destroy the islands. To make matters worse, a nearby underwater volcano comes alive to finish the job. Jack must now confront his conscience in a mortal struggle to keep himself and his loved ones alive in a world rapidly collapsing into chaos. He seeks to discover the truth about the Red Death: How does the plague occur in the twenty-first century, and who is responsible for this killer outbreak?.
