International Society for Technology in Education, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Building on their best-selling book *Flip Your Classroom: Reach Every Student in Every Class Every Day*, flipped education innovators Jonathan Bergmann and Aaron Sams return with a book series that supports flipped learning in the four topic areas of science, math, English and social studies as well as the elementary classroom. In this new book, the authors discuss how educators can successfully apply the flipped classroom model to teaching math. Each chapter offers practical guidance, including how to approach lesson planning, what to do with class time and how the flipped model can work alongside learning through inquiry.
