Brand New Book ***** Print on Demand *****.Have you ever had those moments when you complain you have so many things to do, but have so little time? Are you tired of having to do your work in a rush just to meet deadlines, because you are running on a very tight schedule? Are you frustrated about having very few accomplishments and advancements? Do you wish you had more than 24 hours in your day? On another note, do you wonder how some people are able to accomplish a lot of things?
