Createspace, United States, 2011. Paperback. Book Condition: New. 204 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.At least once in their life everyone questions why they live. Some ponder why mankind itself exists, and the purpose of existence at the personal level. Despite all that is common to the thought and cognition systems of intelligent humankind, Homo sapiens, each individual will arrive at answers to these questions in their own, unique, way. Irrespective of cultural, ethnic, political, economic, social, psychological and other specific views and convictions, the human being is, first and foremost, a social phenomenon. As a result, inquiry of a supra-individual nature needs constant social scrutiny and comment; and answers should be true not just for today, but also for tomorrow at the very least. This book is an attempt to delineate the real problem area, and the author has tried to set forth certain views and thoughts concerning current problems facing humanity. Where necessary, he makes excursions into the past which, informed by modern scientific knowledge, focus on links between historical events and problems in contemporary life - problems that hang like a large and ominous cloud over mankind. This book gives us the chance to look at widely-known events and facts from a viewpoint that offers an alternative to the generally accepted one. The author s point of view allows us to make our way in company with the book s heroes, via the cognitive paths of their mistakes and difficult search for the truth, and to arrive at certain objective deductions. These deductions actually have the potential to change our contemporaries outlook on the things that happen in life. The book is about the past, the present and the future. It reveals the aim, direction and method that someone...
