Napoleon. Caesar. Alexander. They are always joined by Hannibal, who has the distinction of being the only man who nearly brought Rome to its knees before its decline almost 700 years later. Rome never suffered a more horrifying defeat in its history than at Cannae, and indeed, Hannibal nearly rewrote the course of Western history during the Second Punic War. Even today there remains great debate on just how he accomplished his masterful invasion of Italy across the Alps. Since his army included war elephants, historians still argue over exactly where and how he crossed over 2,000 years after he managed that incredible feat. Hannibal will always be listed among history's greatest generals, and his military campaign in Italy during the Second Punic War will always be studied, but part of the aura and mystique surrounding the Carthaginian legend is that there is still a lot of mystery. Since Carthage was destroyed by Rome a generation after Hannibal, most of what is known about Hannibal came from the very people he tormented in the late 2nd century B.C., and thus much of his background and life story is unknown. Moreover, while military historians are still amazed that he was able to maintain his army in Italy near Rome for nearly 15 years, scholars are still puzzled over some of his decisions, including why he never attempted to march on Rome in the first place. Spartacus is the world's most famous slave, and one...
