Reviews

This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which it actually altered me, altered the way I believe.
(Mr. Enrico Lesch)

THE BEST REVENGE

Random House USA Inc, United States, 2003. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. In a riveting new novel of psychological suspense, Stephen White shines a brilliant light on the darkness that hides just beneath the surface of ordinary lives, on the fears that cripple us and the prisons we create prisons of the body, mind, and spirit. A thriller of runaway tension, taps into our most closely guarded fears, taking us on a harrowing journey into a realm of terror and pain, of love gone wrong and vengeance gone mad. Psychologist Alan Gregory is living through a season of discontent. With a new daughter, a wonderful wife, and a prospering career, he has little to complain about and lots of regrets: past cases that won't let him go, patients who don't get better, and a growing unease with keeping secrets. But Gregory has two new patients who will drag him out of his introspection and dare him to enter a storm of injustice and revenge. FBI special agent Kelda James is a hero, a woman who as a rookie agent made a choice, drew her gun, and saved a life, taking another. Now Kelda is hiding from the world a secret pain that is gradually crippling her body and she has turned to Alan Gregory to help free her from the prison of her pain. Then Kelda refers a patient to Gregory, who is terrifyingly dangerous to them both. Tom Clone served thirteen years on Colorado's death row for a crime he claimed he didn't commit until an FBI agent dug up evidence that set him free. The agent's name: Kelda James. With both Kelda and Clone telling him their innermost secrets, Alan Gregory becomes the one...
