Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

900+ Military Terms For Recruits, Cadets, Veterans, . is designed to educate and familiarize military newcomers to military terms, abbreviations and acronyms used throughout planning, preparation and execution of training combat missions and terminology used while associated with the Army Way of Life. This book is orientated towards the US Army s Combat Arms (Infantry, Rangers, Special Forces, .). However, many of these terms apply to all military services. This book also offers detailed information about Army Branches, Army Air Force Aircraft, Armored Vehicles, Military Weapons and Military Equipment. Also in this book, I ll show you how to score expert marksman on the range. Since probably World War I, all military branches teach the same way to engage practice real targets. My invention is better and quicker to engage targets whether in training or on the battlefield. It s either him or you and your comrades. This is a great BONUS for you as a recruit, cadet or even veteran already in the Armed Service. I also tell soldiers wanting to go to any military language course, how I got a high score on the DLAT (Defense Language Aptitude Test). Before any soldier can attend any language course, they must pass the DLAT (made-up language). Again, I ll tell you exactly how I got a high DLAT score. Plus I just added 50 Of The Most Famous Military Battles, Raids, Massacres, And Bayonet Charges! I wish I had this book before I entered the US Army. I d of been head shoulders above my peers. The US Army and all military branches are competitive so to bring out the best in each service member. This book will give the recruit,...
