Bloomsbury Publishing PLC, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. There s this set of things everyone expects from you. Since her boyfriend Gus was killed in 9/11, Billy has been pretending. It is easier for her to stay silent and go through the motions of grief than to tell the truth: that she was planning to leave Gus, and that his death left her feeling a mixture of ambivalence and anguish that she is still struggling to resolve. Drawing from her experience, Billy writes *The Lake Shore Limited*. The opening night of the play brings together three people whose lives intersect and interweave with Billy s: Leslie, Gus s older sister, haunted by his death and constantly aware of what could have been; Rafe, the actor who brings the joy and sadness of his own marriage into his role; and Sam, a recently divorced man who is irresistibly drawn to Billy s distinctive, enigmatic beauty. Together these four voices create a mesmerizing novel of entanglements, connections and inconsolable losses.
