THUS SPOKE ZOMBIETHUSTRA (PAPERBACK)

Lulu.com, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I proclaim the coming of the Uberzombie. Thus speaks Zombiethustra, an undead reincarnation of one of the 19th century s most famous fictional philosophers. As in Friedrich Nietzsche s original, Zombiethustra comes to tell the world of a higher form of being, a transcendent state of consciousness that only those of the strongest will can achieve. But this philosopher-sage must also face new challenges inherent to a post-apocalyptic and undead world. In this re-imagining, one of the preeminent works of 19th century philosophy gains new bite as the tale of a zombie sage who must fight the forces of rot and decay, defeat supernatural enemies, and gain undead allies in his quest to bring enlightenment to the shambling and ravenous hordes.
