My Story, Inkeris Journey

By Inkeri Vaananen-Jensen

Penfield Books. Paperback. Book Condition: New. Paperback. 184 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. 2nd Printing New cover Updated author information and biography. Returning to college at age 57, Inkeri Vaananen-Jensen studied Finnish literature and found a new career translating Finnish into English. A faculty mother, she writes of her Iron Range childhood, the Depression years, World War II, marriage and children, and discovering Finland. This book could be any ethnicity's story of coming to America. The book talked about in the 1920s and 1930s when cars became available, the trials of learning how to drive. The windshield wiper, located on the driver's side, was operated by hand usually by the person sitting beside the driver. If at all possible, driving in the rain was avoided and so was driving in the winter time because there were no heaters nor was there any antifreeze so radiators and batteries could freeze. The fastest automobile speed within their comprehension was sixty miles per hour. If a speeding car whizzed by someone was bound to exclaim, He must be going sixty per! In 1927, Otto was forty-four years old when he learned to drive, and for a long time he remained an excited,...

Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.
