Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finding Jobs is a book that is solely designed to assist fresh grads and industry professionals during their job search journey. A deliberate attempt is made to link technology with real job search scenarios. This book gives readers a realistic view of what they can expect from today s job market. A lot of emphasis is given on technology and how it is impacting today s hiring scenario. Interesting topics to read: Building great Communication etiquette, Managing social professional media channels, How to manage a potential employer research effectively? Social Networking, Face to Face Networking 101, How to digitally clean your on-line profile page? Innovations in HR- what to look out for? Consider this book as a preparation guide before you embark on your job search journey. This book definitely opens up doors for discussion on new technological changes that are well hidden from the out-side candidate market. It further motivates candidates to adapt and use on-going technological changes to their advantage to enhance their candidature skills. Reference files: The end chapters provide global website links and references for 100+ job sites to be explored by job seekers keen on identifying local or international assignments.
