Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memoirs of the War of 61: Colonel Charles Russell Lowell, Friends and Cousins Early in the time of our Civil War a set of photographs, of which these are mainly duplicates, was sent over to some English friends who had recently been guests here. Placed on their drawing-room table in London, the portraits helped to convince their friends that our army was not made up of mere mercenaries. To accompany the photographs, short memoirs have been compiled, from the Harvard Memorial Biographies and from other sources, of Colonel Charles Russell Lowell and some of his friends and cousins, with Governor John A. Andrew at their head. There were other friends and cousins whose services in the war and since the war equally deserve recognition, but whose photographs were not at hand when the original collection was made: the cousins are Francis L. Lee. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
