

## P.O.V. Volume 1: A Personal Perspective of the Bible (Paperback)

By C P Clarke

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a collection of 13 biblical accounts told from the perspective of some of the lesser known characters in the Bible. Ever wondered what Rahab thought about the Israelites when they came to Jericho, or what the soldiers thought of Paul when he was shipwrecked, or how about what was running through Sapphira's mind when she held back the money from the disciples? Get to read their point of view along with some other great bible characters. C. P. Clarke has a good eye for detail and a great turn of phrase. I recommend these retelling of Bible stories, both the more familiar and the less. Andrew Watson, Bishop of Guildford.

### Reviews

*It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.*
