Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from English Gradation-Nouns in Their Relation to Strong Verbs: Inaugural Dissertation In his New English Grammar, when dealing with the parts of speech, Dr. Sweet mentions the phenomenon that, in English, a word may have the function of more than one part of speech without any change of form, a phenomenon defined by him as conversion of the parts of speech . Applying this to the categories of noun and verb, he speaks of walla as a converted noun 1, and later on, in the treatment of the nouns 2, he makes use of the same term about run and ride. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
