Fidel, United States, 2011. Paperback. Condition: New. Aufl.. Language: English . Brand New Book. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Joe Sinnott is an American comic book artist. Working primarily as an inker, Sinnott is best-known for his long stint on Marvel Comics Fantastic Four, from 1965 to 1981, initially over the pencils of industry legend Jack Kirby. Years before, he had inked Kirby's The Fantastic Four #5, the issue introducing Dr. Doom, plus a science fiction monster story in Strange Tales #94. During his nearly sixty years as a Marvel freelancer and then salaried artist working from home, Sinnott inked virtually every major title, with notable runs on The Avengers, The Defenders and The Mighty Thor. Marvel impresario Stan Lee in the mid-2000s cited Sinnott as the company's most in-demand inker, saying jocularly, Pencilers used to hurl all sorts of dire threats at me if I didn't make certain that Joe, and only Joe, inked their pages.
